Resource Room Guidelines/Policies:

1. Any student may access the Resource Room (Q104) during non-class time.
2. Teachers may send any student or group of students during class time with a pass, assignment(s), and specific instructions for the tutors (please follow instructions below):
 - Refer to the Resource Room Schedule before sending students or call 974-4822 to see if the tutors are in.
 - No more than 5 students per teacher at one time. **Please call to check availability.**
 - If the student completes the assignment before the end of the period, the tutor will send the student back to class with the pass.
 - If the student stays the duration of the period, the tutor will indicate this on the pass and place the pass in your box by the end of the day.
3. Teachers may make an appointment for their class to use the Resource Room labs (Q104/Q103).
 - Please have your class set-up with assignments before coming down.
 - To sign up, go to www.whsresourceroom.weebly.com and make a reservation!
 - For assistance with online reservations, please call extension 297.

THANK YOU! ;)
